

Diploma in Basic Beauty

LookWell Academy

Overview

This course will give the student a foundational knowledge of skin and train the student in all the skin services that are offered in the salons like threading, waxing, pedicure, manicure, bleach and basic facials. It will also teach them a professional facial massage and equip them with all the necessary skills to professionally do all skin services in the industry.

Requirements

This course is best suited for those who want to work in the salon industry or want to start their own business. Ability to read and write Hindi/English is necessary to work with the course material and take the written test.

Course Content

- Skin theory, anatomy of skin
- Skin types, skin conditions and skin concerns.
- Theory and demo practice in threading, waxing, pedicure, manicure, bleach, clean up and basic facials
- Signature Facial massage
- Retailing and home care
- Client consultancy

Evaluation

There is a written and practical test at the completion of training. Students need to clear both the tests to be eligible for certification.

Tools

Students will be given a pedicure and manicure instruments kit. All consumables and products will be provided by the academy.
